Involving SROs and Law Enforcement: Legal Considerations Regarding Students With Disabilities

Presented by Teri E. Engler, Esq.

With concerns about school safety at an all-time high, so are concerns about a potentially conflicting issue — disproportionate disciplinary practices with respect to students with disabilities.

Ensure all your school personnel know current legal requirements when involving School Resource Officers and community police in behavior-related situations. Attorney Teri Engler will explain your legal mandates as well as the latest case law, so you and all your staff are prepared to address the next safety issue that arises in a way that avoids common legal pitfalls.

Plus, you'll explore the different concerns when involving SROs and community law enforcement in these disciplinary matters, including:
